

Impossible to take your product on a sales call?

AR CAN FIX THAT.

IT'S TIME TO MAKE AUGMENTED REALITY (AR), YOUR REALITY.

1

Scan QR code to launch the AR app

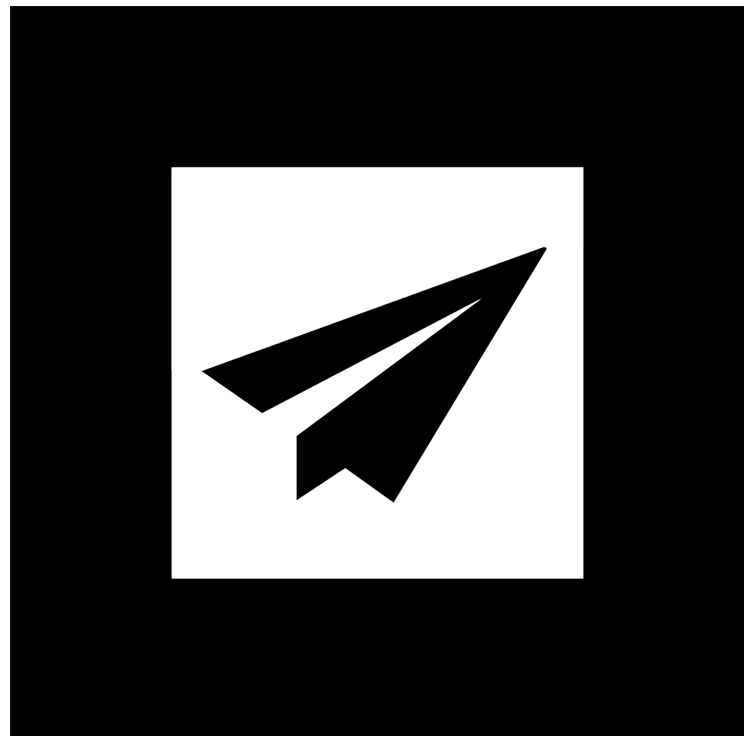

2

Scan this airplane (called a Marker) and keep your phone aimed at it throughout the experience

3

Start viewing a 3D version of your product

TIP

Use the app to point your camera at the screen, or print out this PDF for the best experience. **Be sure there are no reflections.**
